Comment:

- a. Confirms the PRESOV 20th "Kukelsky" Inf Regt of the 10th Inf Div up to mid-December 1949.
- b. II Bn of the 20th Inf Regt was known to be in LEVOCA. An unidentified infantry unit was reported to be stationed in BARDEJOV in late 1948. SNB units were observed in BARDEJOV and HUMENNE in September 1949. It is possible that these units, or elements of them, may have been deactivated. The deactivation of units may have been connected with the reorganization of the 10th Inf Div, which was considerably reduced in strength. *
